

Physical facilities:

The College infrastructure committee looks after the development, maintenance, and utilization of physical facilities of the College. For maintenance of a clean campus environment, grade IV staff is assigned to various jobs and duties – cleaning classrooms, corridors, toilets, lawns, etc regularly. Skilled workers are hired for repair works relating to buildings, furniture, etc. The Teaching Faculty, NCC cadets, NSS volunteers, and students also clean the classrooms and corridors under Swachh Bharat mission.

Laboratory:

There are two laboratories in the College. The computer laboratory is used as part of the undergraduate program. Extension lectures are organized for students, teaching, and non-teaching faculty from time to time. The College Information and Communication Technology Committee (ICTC) is responsible for the maintenance and functioning of the lab.

b. The Geography laboratory is maintained by the Geography department. The lab is used as part of the undergraduate program.

Library:

The Library Advisory Committee and librarian along with senior faculties tackle all issues relating to the smooth

and efficient functioning of the library. At the time of admission, students are issued library cards which will be valid till their final semester. Internet facility is provided in the library and students can access the facility for availing e-resources and other web-based information. The library is under CCTV surveillance. It also has power

backup facilities for reading rooms and working areas.

Sports complex (indoor and outdoor):

The College has a standard ground including hockey and basketball courts where outdoor sports activities are held. The college also has an indoor stadium for badminton, table tennis, etc. Sports equipment as well as fitness-related equipment are made available for all these games

to the students. Gym facilities are available for students and teachers.

The sports committee of the College is in charge of the sports complex and types of equipment. The committee supervises the Groundsmen and maintenance and repair works are assigned to Grade IV staff. The Department of Physical Education keeps a well-maintained record of all the

sports equipment. Procurement of new equipment is done by following a proper procedure.

The equipment is purchased according to the requirements of the teams that practiced for the Inter- College, State, National, and other Open and Invitational Tournaments.

Classrooms:

All classrooms are equipped with the required teaching aids to supplement the teaching-learning process. Seminars, workshops, and lecture sessions are also conducted in these rooms. The plumbers,

electricians, and carpenters are hired for the maintenance of electric jobs and maintenance of furniture. There is also a building maintenance committee that looks after the proper maintenance of the building. Class IV staff has been given the responsibility to keep the classrooms clean. Checking of fans, teaching aids, etc in the classroom is done regularly.

Canteen:

A student-friendly canteen is run in the college. Hygienic food is made available at affordable rates.

The canteen

is open on all working days.
